

Conference Speaker:

None of These Diseases

Host Pastor
Janet Kristensen

Cal Pierce, founder of Healing Rooms says, *"All of the provision of the cross must impact the body of Christ. God is raising up an end-time army that must get out of the tent if it is going to march to the battle and take the harvest. This army will not march to the battle on crutches. It will have signs and wonders following it."*

At this conference, I believe Michelle is going to bring us into our destiny of reaching our world with the gospel of the kingdom. Let's believe for impartation.

Michelle Pierce with her husband Cal founded and is now Co-Director of Healing Rooms Ministries. Since opening the Healing Rooms thousands have been touched and healed by God, and Michelle is blessed to be a part of this ministry.

Michelle ministers to people right where they're at. She brings laughter into her messages with her "if I can do it, so can you" attitude. She has the ability to relate to others while understanding their shortcomings and it's not a cliché to say that she brings out the best in people.

He himself bore our sins in his body on the tree, so that we might die to sins and live for righteousness; by his wounds you have been healed.
